## The 1969 Pirate

MRS. YATES

MR. LAREW

We, the 1969 graduating class of Talcott High School, wish to dedicate the XXVI Volume of THE PIRATE to Mrs. Doris Yates and Mr. Charles Larew.

The memory of these past few years will pass through our minds like a song. The gay tune was formed from Mrs. Yates and Mr. Larew's patience, understanding, laughter, joy, and friendliness. In these past years many problems were encountered and with their help, and leadership we discovered our role as an individual and we reached our first pinnacle of success.

Thank you Mrs. Yates and Mr. Larew.

## A Message To The Seniors From The Principal

We do not know who first coined the phrase, "You can't make a philosopher out of a sophomore."

Of course YOU can't. BUT HE CAN!

You cannot make anything out of anyone. But there is no limit to what anyone can make of himself.

But one's own lack of vision can limit him.

Conforming pressures of one's group can limit him.

Failure to try - to persist in trying - lack of a goal - or lack of determination - these can hold one back - these can prevent one from becoming a philosopher.

And speaking of "philosopher" - philo is the Greek word for love; sophy is truth. A philosopher is a lover of truth. We can all be that - lovers of truth; we must be ARDENT, PURPOSEFUL lovers of truth.

The man who wastes his money and blames his luck is not a lover of truth; he is a false philosopher.

The person who denies that there is something worthwhile to be done which he should do is not a lover of truth.

You, a member of this year's Senior class, can make something of yourself of which your family and school can be justly proud.
